Sydney 29

MASTER BUILDERS QUEENSLAND

The Sydney 29 captures a modern, classic design with a luxurious finish. At 270 square metres under roof plus an optional 18 sqm pool hut, this 4 bedroom home makes the most of Queensland's lifestyle with functional open plan living, designed to maximise the 18 metre wide 576 sqm allotment.

You will appreciate a feeling of intimacy in your very own private resort style home, with the master bedroom opening out directly to the swimming pool. The cleverly designed windows in the master bedroom and living room allows you to see the water whilst relaxing in bed or the lounge.

The Sydney 29 oozes style and opulence with timber lined coffered ceilings and the use of a diverse range of textures and finishes. Remote control skylights feature in the media room and kitchen to create light and air throughout.

Experience the Sydney 29's luxurious resort style living at the Pelican Waters display village.
